Toddler Outdoor Scavenger Hunt

Try this in your own backyard and have an adult describe what you’ve found or done.

Can you find something...

- to jump over?
- to throw far?
- to toss in the air and catch?
- to balance on your head?
- to balance on your foot?
- that you can roll on the ground?
- that you can use as a drum?
- that is soft?
- that is hard?
- that is squishy?
- that is heavy?
- that is prickly?
- that smells good?
- that is the color green?
